ITEM		Action
1.	<p>Notes and actions of the last meeting and actions</p> <p>1.1 TW met with Richard Dalton (COMMUNITY CLINICAL MANAGER KINGSTON & RICHMOND) to inform him that we will be visiting the Tolworth Community Service some time in 2017.</p> <p>1.2 Whilst not everything in the Tolworth Hospital Enter & View action plan has been completed, the Task Group agreed to close the issue of the Lilacs Enter & View, in view of the coming estate modernisation which will involve demolition of the current wards.</p> <p>1.3 Rachael Rowan, Kingston CCG (Clinical Commissioning Group) MH Commissioner said she does not have a date yet for the recommissioning of the I Cope service. SB to find out the contract specifics of the I Cope service so we are informed to create a Project Plan.</p> <p>1.4 TW will ask Mario from RISE if Kingston University Students are available to help with MH Task Group research, if so which dates this is available.</p> <p>1.5 Regarding escalating the Personality Disorder query to Sylvie Ford; Sylvie has composed a response and has circulated it with the PD service providers. TW will circulate this to the group when it is received.</p> <p>1.6 It was discussed that GPs need to have better awareness of PD. For example, awareness that ADHD can be inherited would inform diagnoses.</p>	<p>SB</p> <p>TW</p> <p>TW</p>

	<p>1.7 It was suggested that just because there is not a designated PD service in Kingston, it does not mean there are not psychologists with expertise who could provide treatment for PD, the issue is we need more psychologists.</p>	
<p>2.</p>	<p>Overview of priorities for 2017/18 and discussion on resources</p> <p>2.1 The group approved the Mental Health Task Group Work Plan for 2017/18. As the year progresses, the task Group may wish to change the work program with changing priorities. If this is the case the revised work plan will be taken to the Healthwatch Kingston Board for sign off.</p> <p><i>Thrive Kingston Mental Health Strategy</i></p> <p>2.2 The strategy will be launched on 26th July. HealthWatch will produce a summary of the workshop after the event summing up the outcomes of the day, and send it out to all stakeholders.</p> <p>2.3 We will ensure there are enough papers available on the workshop tables for attendees and make materials available in advance where possible.</p> <p>2.4 It was raised that although 20 Kingston GPs have had MH training these are not distributed throughout all the Surgeries. SC is to raise this at the MH Strategy Primary Care Workshop. (Date to be confirmed and circulated when known)</p> <p><i>Enter & View / Tolworth Hospital Community service</i></p> <p>2.5 The MH Task Group needs to produce a Project Plan for the Tolworth Community Service Project. There will be a separate project group meeting to action this. AM, JB, JD, CS, SC, CAS, TW would like to be part of this Project Group.</p> <p>2.6 One of the Project Plan Tasks will be to carry out a review of what the service provision includes and over</p>	<p>MH Strategy Steering group/SB/TW</p> <p>MH Strategy Steering group/SB/TW</p> <p>SC</p>

	<p>which Boroughs.</p> <p>2.7 We should identify what skills Project Group members have. They can then bring these skills to strengthen the different tasks within the Project Plan.</p> <p>2.8 TW will invite Richard Dalton to the next MH Task Group meeting before this group is assembled. Richard can explain how the Community Service is run and answer any questions we have. This will help to produce the project plan.</p> <p>2.9 SB will source the official Healthwatch England Enter & View & DBS policy and liaise with Task Group members to initiate their DBS checks.</p> <p>2.10 The Task Group discussed raising MH Task Group membership levels. SB will produce a recruitment advert and circulate with Task Group members for their feedback. This can be sent out to all people involved in the Mental Health Strategy Workshops. This will be actioned once Healthwatch Kingston has a complete staff team to induct new HWK members (Autumn 2017)</p> <p><i>Personality Disorder service</i></p> <p>2.11 We need to wait until we get a satisfactory reply from Sylvie regarding the PD service before we finalise the Work Plan. If Sylvie's response is still not adequate, we will notify Grahame Snelling to decide next escalation steps.</p>	<p>TW</p> <p>SB</p> <p>SB</p>
