# Kingston Covid-19 Vaccination Programme Update

Kingston

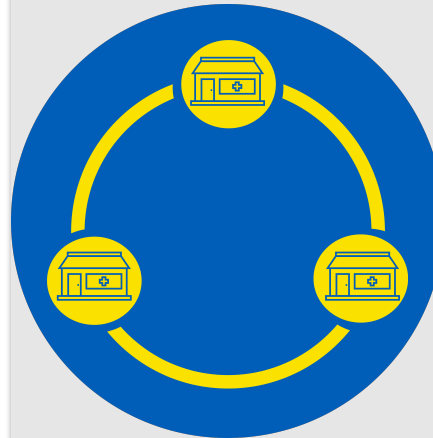

# Where we are delivering the vaccine

## Large Vaccination Centres

High volumes, high throughput in a fixed location for an extended period e.g. Hawks Road Clinic

## Local Vaccination Services

Primary care-led sites  
Care home residents and staff  
Roving model by GPs and community service teams for the housebound

## Hospital hubs

Delivered from NHS provider trusts e.g. Kingston Hospital

# How people are being contacted

---

The NHS will contact you directly when it is your turn

This may be via the phone, text message or letter from a GP practice

You may also receive a letter from the National Booking Service allowing you to book an appointment at a large vaccination centre

GP and community mobile teams beginning to contact and vaccinate housebound people in the priority groups. Those eligible being contacted in advance by phone or text or letter.

## Local resident

"My 90 year old Mum received her second vaccine jab at Gosbury Hill Health Centre today. Just wanted to thank all the staff for their hard work and compassion , they were brilliant"

## Cllr Margaret Thompson - Mayor of Kingston

"I was delighted to receive the coronavirus vaccine last weekend. As a former nurse I know that it has been tested rigorously, that it is very safe and effective and that it is crucial as many people as possible receive it.

"The vaccine protects me, my family. and everyone I meet, and it does that for everybody. Thank you to everybody who has helped with the huge task of delivering the vaccine to so many people in Kingston. Kingston is proud of you."

## Local resident

"I had my first vaccine yesterday at Kingston University and was really impressed with the organisation that had been put in place.

The whole process was very slick and the staff, volunteers were very professional and in extremely good spirits. Well done to you all and thank you"
