**System** – led by Integrated Care Boards which will bind partner organisations together in a new collaborative way with common purpose. They will (i) bring the NHS together locally to improve population health (ii) establish shared strategic priorities within the NHS and connecting to partnership arrangements at system and place.

The scope of **Place** and **Neighbourhood** (synonymous with PCN):

- Planning of community and community mental health
- Front door acute services planning
- Social Care
- Primary Care
- ~~Public Health and wellbeing~~
- Prevention
